

COREY GRAHAM

CREATIVE COMMUNICATIONS SPECIALIST

724.992.2898 | 3125 Zuck Road, Erie, PA 16506 | adelphik@gmail.com | coreygraham.me

I'm a self-motivated, creative artist and storyteller with decades of experience creating a variety of media. While I specialize in video creation, editing, and animation, I also excel in graphic design, photography, voice talent, and more. A proactive collaborator, entrepreneur, and lifelong learner, I've led a wide array of projects from concept to completion. I'm resourceful, thriving on solving complex problems with minimal direction. I work well on teams, supporting and aiding teammates to ensure success. I'm versed in the emerging field of AI, exploring and using various AI services thoughtfully and ethically in the creative process.

I am highly experienced with Adobe Creative Cloud, having used Photoshop, Illustrator, Premiere Pro, After Effects, and more since the 1990s.

EXPERIENCE

Creative Producer, Engel O'Neill (October 2022 - November 2025)

- In this role, I planned and executed a variety of creative projects, keeping brand consistency and the target audience in mind. I built meaningful relationships and worked closely with clients to ensure success. I played key roles in securing new contracts and maintaining existing ones by building relationships and upholding a high level of excellence in my craft. My time at Engel O'Neill substantially increased the company's creative output and elevated the level of client service offered.
- Visual Design: Graphic design and layout for print and digital projects, storyboarding for animation and video pre-production, web design
- Video and Audio Production: 2D and 3D animation
- Photography: Studio and journalistic
- Voice Talent
- Copy Writing and Editing: Creative and technical
- Web Development: Well-versed in WordPress and current web standards
- Technological/Strategic Research and Implementation: I introduced project management software to the company (Monday.com) and trained staff and clients on its use; I led efforts to explore and

implement AI services in ways that benefit the company and the clients

Host/Director/Editor, Reader House Round Table (2020 - Present)

- I host and produce a weekly podcast featuring interviews with independent authors. Each week, I interview 10-20 authors over the phone and edit them into a 50-minute show. The volume of authors challenges me to think on the spot, and to be creative and resourceful. The weekly schedule has taught me to manage time strategically and streamline as much as possible.
- Show Production: I produce and direct weekly podcast episodes, ensuring timely delivery and high-quality standards
- Guest Interviews: I conduct 10-20 guest interviews weekly, fostering insightful discussions that enhance audience engagement
- Final Production and Delivery: I edit and finalize podcast episodes using Adobe Audition, consistently meeting deadlines

Owner/Operator, Wedding Videography by Corey Graham (2011 - 2021)

- I started and operated a wedding video business
- Video Production: I filmed and edited hundreds of wedding videos, ensuring high-quality storytelling and client satisfaction
- Business Management: I managed all aspects of business operations, including client acquisition, contract negotiation, and financial planning.
- Client Relations: I cultivated strong client relationships through personalized consultations and frequent communication

Creative Specialist, Churchill Strategies (2007 - August 2022)

- I was responsible for a variety of creative projects for commercial, political, and policy clients.
- Visual Design
- Motion Design
- Video & Audio Production
- Copy Writing & Editing
- Web Development

Senior Editor/Director, Gear Media & Marketing (2004 - 2007)

- I shot, edited, and delivered motorcycle and ATV racing TV programs aired on Versus Network.
- Video Production: Pre-production, production, and post-production
- Visual Design: 2D and 3D animation for show openers, closers, bumpers, transitions, and titles; DVD packaging design; website design
- Participant Interviews
- Final Delivery to Versus Network

EDUCATION

Kittanning High School (1992 - 1995)

Indiana University of Pennsylvania (1998 - 2000)

I obtained a Bachelor of Science degree in Communications Media, focusing on visual design, video and audio production, copy writing, script writing, and web design/development.
